

With *Thanksgiving* just around the corner, we are hoping you will trust us to help with your holiday meal. We want to let you know we still make everything from scratch right here in our kitchen.

Some things that make us different are:

- * Olives has been preparing your Thanksgiving dinner for 16 years
- * We offer Diestel Turkey Ranch products grown here in California since 1949
- * Everything is made from scratch in small batches right here in the store
